JON & KATE
Will their
marriage
(and the show)
survive?

<http://roadtothealtar.com>

Urkel Who? Looking fine and taking names, Jaleel White stars opposite *As the World Turns*' Leyna Juliet Weber in this new mockumentary about a couple and their runaway wedding plans. Along for the ride is a bumbling reality film crew documenting the duo's rocky progress to the altar. Expect lots of laughs—and thankfully, no corny catchphrases.
